The Speech transfer program emphasizes the importance of developing a variety of communication skills for an information economy. The focus on rhetoric, interpersonal skills, and/or mass media prepares students for the junior and senior levels of study in Speech Communication. The following is a sample list of major requirements. Consult a counselor or academic advisor before registering. Four-year college requirements vary from college to college. A foreign language may be required at some universities.

Specific graduation requirements are identified through degree audit. Additional developmental courses in math, reading and English may be required based on placement scores.
