Lake Land College

Business Administration (Accounting, Computer Information Systems, Finance, Management, Marketing)

(AS.BA) Associate in Science Degree

This degree is also available online. This curriculum is for students interested in business administration (accounting, finance, management, marketing, computer information systems) planning to transfer to a four-year college or university. Course requirements are modified to meet demands of individual universities. Upon completion of this program, students may transfer as juniors to four-year colleges and universities. This is a sample list of major requirements. Consult a counselor or academic advisor before registering. Four-year college requirements vary from college to college.

Specific graduation requirements are identified through degree audit. Additional developmental courses in math, reading and English may be required based on placement scores.
